

Materials List and Safety Dress Code: Plumber (Pre-Employment)

Plumbing is a highly skilled profession, one that requires safety and attention to detail. Academy Canada is committed to training students in a learning environment that is safe and supportive of the needs of the student as well as academically sound in content and delivery. Academy Canada provides a professional atmosphere that emulates the workplace. We expect the same professionalism from our students. The following is a breakdown of the required dress code and materials needed.

Students are required to purchase the following materials:

Important: DO NOT make any purchases prior to consulting with your instructor.

National Plumbing Code Book:

The electronic edition of the National Plumbing Code is now available free of charge.

<https://shop-magasin.nrc-cnrc.gc.ca/nrcb2c/b2c/init.do>

(Click on “Construction Publications” → National Plumbing Code of Canada 2015)

There are two options:

1. downloadable, offline access PDF file (can only be downloaded once on a single device)
2. the single user, online access subscription (can be viewed on any device with an internet connection)

The printed edition is also available for purchase. If you would like a printed edition of the code book, please see the Business Office where copies are available at a reduced cost.

Materials List and Safety Dress Code: Plumber (Pre-Employment)

Notes

1. Further purchases may be required. Please verify with your instructor.
2. Most of the items listed above can be purchased from Acklands-Grainger, Rideout Tool and Machine, Air Liquide, or Canadian Tire.
3. In addition to the above, textbooks also have to be purchased for some courses.
4. Students should meet with their instructors prior to making any purchases including used textbooks.

***If you have any additional questions,
please call the Admissions Office @1-800-561-8000.***
