

# Materials List and Safety Dress Code: Steamfitter/Pipefitter (Pre-Employment)

Steamfitting/Pipefitting is a highly skilled profession, one that requires safety and attention to detail. Academy Canada is committed to training students in a learning environment that is safe and supportive of the needs of the student as well as academically sound in content and delivery. Academy Canada provides a professional atmosphere that emulates the workplace. We expect the same professionalism from our students. The following is a breakdown of the required dress code and materials needed.

Students are required to purchase the following materials:

**Important:** DO NOT make any purchases prior to consulting with your instructor.
